

Circular

Value Added Tax (VAT) introduction at DP World, UAE Region

In line with the Federal Decree-Law No. 8 of 2017 issued by His Highness Sheikh Khalifa bin Zayed Al Nahyan, Value Added Tax (VAT) will be effective as of 1st January, 2018.

All customers are advised that the current rates mentioned in the DP World, UAE Region tariff are exclusive of Value Added Tax (VAT). If the forthcoming VAT law requires VAT to be charged on the service provided, VAT will be added in addition to the existing tariff rates.

Please note, the Federal Tax Authority (FTA) requires that customer Tax Registration Numbers (TRN) are printed on all DP World invoices where applicable. We are currently in the process of developing a service which would enable you to update your TRN numbers on the Dubai Trade portal.

Further details on how the new VAT law will apply to your dealings with DP World, and the launch of Dubai Trade service will be communicated in due course.

For any additional information with regards to Value Added Tax (VAT), kindly refer to <https://www.tax.gov.ae>.

We thank you for your usual cooperation. Should you require any further clarifications, please feel free to contact DP World Customer Care.
