

DP WORLD, UAE REGION NAMED BEST PORT OPERATOR AT LLOYD'S LIST AWARDS

Dubai, United Arab Emirates, 03 December, 2018:- DP World, UAE Region was awarded the prestigious Port Operator award at this year's Lloyd's List South Asia, Middle East & Africa Awards ceremony that was held at the Palazzo Versace Hotel in Dubai. Shahab Al Jassmi, Commercial Director, Ports & Terminals of DP World, UAE Region received the award on behalf of the global trade enabler.

Lloyd's List South Asia, Middle East & Africa Awards are among the most prestigious recognitions for companies in the logistics and maritime trade sectors, with awardees being recognised as leaders in setting best practices and standards for the industry.

The judges emphasised DP World's scope of work, well-documented and measured Key Performance Indicators (KPIs), and its commitment to innovation, safety and the environment.

Mohammed Al Muallem, Chief Executive Officer and Managing Director, DP World, UAE Region, said: "We're honoured to have won this award, which reaffirms our efforts to enable trade through industry leading innovation and creating a customer-centric business model. Our flagship Jebel Ali Port has become a key part of the global supply chain, reaching out to over three billion people across the Middle East, North and East Africa, and the Indian subcontinent.

"Through the unique ecosystem created between Jebel Ali Port and Jafza, we have created one of the most modern and efficient supply chains in the region that caters to the new era of on-demand logistics. Through the use of cutting edge technologies and industry leading benchmarks, we allow trade to happen in a seamless and efficient manner that supports the diversification of the UAE's economy."

DP World also sponsored this year's Lloyd's List Intelligence Innovation Award that recognised leading innovators in the maritime sector.

About DP World:

DP World is a leading enabler of global trade and an integral part of the supply chain.

We operate multiple yet related businesses – from marine and inland terminals, maritime services, logistics and ancillary services to technology-driven trade solutions.

We have a portfolio of 77 operating marine and inland terminals supported by over 50 related businesses in 40 countries across six continents with a significant presence in both high-growth and mature markets. We aim to be essential to the bright future of global trade, ensuring everything we do has a long-lasting positive impact on economies and society.

Our dedicated team of over 37,000 employees from 110 countries cultivates long-standing relationships with governments, shipping lines, importers and exporters, communities, and many other important constituents of the global supply chain, to add value and provide quality services today and tomorrow.

Container handling is the company's core business and generates more than three quarters of its revenue. In 2015, DP World handled 61.7 million TEU (twenty-foot equivalent units) across our portfolio. With its committed pipeline of developments and expansions, the current gross capacity of 79.6 million TEU is expected to rise to more than 100 million TEU by 2020, in line with market demand.

By thinking ahead, foreseeing change and innovating we aim to create the most productive, efficient and safe trade solutions globally.
